

# TRACK Pre-Apprenticeship SAMPLE Assessments

The TRACK SAMPLE assessments allow students to practice using the online testing environment and become familiar with test format. The TRACK SAMPLE assessments are industry approved sample assessment items aligned to the specific TRACK Pre-Apprenticeship pathway standards available at the [TRACK: Tech Ready Apprentices for Career in Kentucky web page](#). Prior to live testing, an online sample test should be run on every device that will be used for live testing to ensure local system performance.

## TRACK Pre-Apprenticeship SAMPLE Assessment Review Instructions

1. To mimic a live testing scenario, students should receive the specific TRACK Pre-Apprenticeship Assessment Instructions and Formula Sheets that are required for live testing in TRACK Pre-Apprenticeship Assessment. Refer to the TRACK Pre-Apprenticeship resources at [TRACK: Tech Ready Apprentices for Career in Kentucky web page](#) for more information.
  - a. [Carpentry TRACK](#)
  - b. [Electrical TRACK](#)
  - c. [Welding TRACK](#)
2. Students will preview a sample of the Student Test Taking Honor Code and Sample E-SESS Focus Lock Warning. As with live testing, the online SAMPLE assessment does not permit the participant/student to navigate away from the testing environment.
3. Upon completion and submitting the SAMPLE assessment for grading, a standards performance report will be generated for each session. No data is retained for SAMPLE assessment sessions.
