District and School Leaders,

Please see below for important COVID-19 related updates regarding Career and Technical Education (CTE) End-of-Program (EOP) pilot assessments for the 2019-2020 academic year.

2019-2020 CTE End-of-Program Pilot Assessments – Accounting, Financial Services, Automation Engineering, Civil Engineering, Engineering Design and Mechanical Engineering

All pilot assessments and testing windows have been cancelled for this school year. The Office of Career and Technical Education and Student Transition (OCTEST) plans to complete pilots in the fall of the 2020-2021 school year. Testing windows for the pilots will be released during the summer, or when more details are available, to assist schools and students with planning for these pilot assessments. With successful pilots in the fall of 2020, the plan is to continue to offer these new valid CTE EOP assessments in spring 2021. Thank you for your patience and understanding during this time.

Should you have questions or concerns regarding this topic, please feel free to contact me, or Sherri Craig at sherri.craig@education.ky.gov or 502-564-4286.

Thank you,

Kiley Whitaker
