

KOSSA: Available Resources for Teachers

Employability Skills Resources

The Interview | Workplace Essential Skills

[<http://ket.pbslearningmedia.org/resource/ket-wesint-01/ket-wesint-01/>](http://ket.pbslearningmedia.org/resource/ket-wesint-01/ket-wesint-01/)

This self-paced lesson includes videos from a professional career counselor, interactive practice opportunities to get you thinking about your strategy, and more activities you can try at home on your own. *Resources have been provided by KET.*

KYAE Employability Standards [<http://kyae.ky.gov/NR/rdonlyres/7896535C-65C7-4838-8BBE-8ACDFF39FA98/0/EmployabilityStandards.pdf>](http://kyae.ky.gov/NR/rdonlyres/7896535C-65C7-4838-8BBE-8ACDFF39FA98/0/EmployabilityStandards.pdf) (24K PDF) -- The KYAE

Employability Standards are derived from listening to employers and adult education instructors, and referencing national leaders in workplace preparation including Comprehensive Adult Student Assessment Systems (CASAS

[<https://www.casas.org/about-casas>](https://www.casas.org/about-casas)) Competencies and Equipped For the Future (EFF), among others. Extensive research and vetting contributed to this concise and concrete list of skills. The standards are written as stand-alone statements describing skills the employable adult should possess in order to be successful in the workplace. *Resources have been provided by KYAE.*

Other Resources

PBSLearningMedia.org is the online repository of searchable resources. KET Education Consultants [<http://www.ket.org/education/contact/education.htm>](http://www.ket.org/education/contact/education.htm) are available to do training on PBS LearningMedia and many other KET educational resources. *Resources have been provided by KET.*

Also, the training that we do at KET in our Media Lab could be most useful for many of your teachers. Much of it is related to technology and production, but you can find more information on our website [<http://www.ket.org/education/medialab/>](http://www.ket.org/education/medialab/). *Resources have been provided by KET.*
