

How to Add or Remove an Existing Pathway in Your TEDS

READ EVERYTHING BEFORE YOU DO ANYTHING...

- The addition window for the 2018-2019 school year is February 1, 2018 - September 1, 2018
- Do not use this process to alter a pathway you already have
- Pathway additions may only be submitted in TEDS

1. To **ADD** an existing pathway as listed in the Preview to Pathways or Program of Studies:

- Log in to TEDS.
- Click on **My School**.
- Click on **Assign Pathways**.

Here, you can see what pathways are assigned to your school

- Click **New Assignments**.
- Type in the CIP code and click **Search**
- Click the box for “**Assign All**” for the specified pathway

- Click “**Assign**”
This will add the pathway to your TEDS with no section or class list

- You cannot add students until after the September 1 rollover
- You can request pathway modifications

2. To **REMOVE** a pathway currently in your TEDS:

- Log in to TEDS.
- Click on **My School**.

c. Click on **Assign Pathways**.

Here, you can see what pathways are assigned to your school

d. Click the box for **“Remove All”** for the specified pathway

e. Click **“Remove”**

i. If the pathway has no students enrolled,

- 1) the pathway will now show an end date for the last day of the current TEDS year (8/31/xxxx)
- 2) the pathway will be removed during the September 1 rollover process

ii. If the pathway has students enrolled,

- 1) You will get a message that states:
 - *“Your request cannot be completed at this time.*
 - *At least one section of “Pathway” could not be deleted because it contained enrollments*
 - *Please submit a new request once all enrollments have completed.*

2) Submit a new request once all enrollments have completed.
