

TEDS vs. IC Cheat Sheet

We do solemnly promise that if you follow these directions explicitly that it will be impossible for you to **EVER** mess up your TEDS data by completing an IC data import

Only Do This in Infinite Campus	Can I Update this in TEDS?	Only Do This in TEDS
Career Pathways & CIP Codes	NO	Industry Certification
Start Date	NO	Termination Status
Special Populations	NO	Federal Indicators
SSID and SSN	NO	End of Program Assessment *
Attend Hours	YES ^	Follow Up
Student Objective (<i>Prep vs Exploring</i>)	YES ^	End Date/Terminations #
Credit Hours	YES ^	

^ Can be updated in TEDS but better to update in IC and import. If you do this, you break the guarantee

* Automatically uploaded by OCTE

Only required for schools/districts with inaccurate data that cannot be matched. In other words, **not required if your data is clean**
