Purpose: The Director of Special Education (DoSE) Advisory Group was created to advise the Office of Special Education and Early Learning (OSEEL) on issues relevant to special education. The DoSE Advisory Group consists of 9 members who each represent a Special Education Cooperative region of Kentucky. The members of this group provide valuable feedback and engage with Kentucky school districts to provide support for special education. The advisory group members meet with the OSEEL staff, both in person and virtually, to discuss needs in the area of special education support provided in Kentucky school districts.
