

KDE Education Continuation Task Force
Kentucky Department of Education
Meeting to be held virtually via Microsoft Teams (See invite for link)
July 13, 2020
1-3 E.T.

The purpose of this group is to work together on issues that arise during this unprecedented time in education as we strive to meet the educational needs of our students and teachers across the state as they endeavor to learn and teach in non-traditional ways. KDE leadership will share with task force members guidance being developed by the department. Members will look for gaps in our thinking and assist with communicating a common message throughout the K-12 education community.

LEGAL DISCLOSURE: The task force was designed to gather just-in-time feedback from individual constituents representing various sectors of Kentucky public education. The task force **will not take any action.** This call will be recorded, and the recording will be shared publicly.
