Commissioner's Student Advisory Council Equity Project Update

Anastasia Panaretos, Oldham County Schools, Caleb Bates, Breathitt County Schools, and Anna Williams, Anderson County Schools

Guiding Question: What feedback might you provide around the Commissioner's Student Advisory Council Equity Project?

Equity Project Video

- Members of KDE's Commissioner's Student Advisory Council have teamed up with Dr. Thomas Woods-Tucker, KDE deputy commissioner and chief equity officer, to create a video to discuss what equity means to them.
- The video is part of an ongoing equity and inclusion project led by Woods-Tucker and SAC members. The students presented the video to the KBE during its June 2 meeting.

Student Advisory Council Members Anastasia Panaretos (Oldham County), Anna Williams (Anderson County) and Wallace Caleb Bates (Breathitt County).

COACHING

Coaching *plus* its connection to Digital Instructional Design and Impact on Learning

Digital instructional design can play a major role in providing students with voice and choice through differentiation and personalization. At the center of the design and implementation is effective coaching that supports the process from beginning through reflection allowing teachers to more accurately determine what learners know and still need to accomplish.

Curated blended learning resources from KY teachers, digital learning coaches and administrators, seasoned with great stuff from trusted national partners
