- Knowledge of today’s best practices in schools;
- A strong financial background with the ability to manage hundreds of millions of dollars in state and federal funding, audit processes and budgets;
- Experience with policymaking and the executive and legislative branches of government, including working with members of Congress and the U.S. Department of Education; and
- Leadership experience in large, diverse organizations and experience working with a diverse staff.

Skills - The successful candidate will have the ability to:
- Work with multiple partners and respect opinions, regardless of background, within and outside of education;
- Translate knowledge into action to benefit all students;
- Create a compelling and shared vision with diverse partners, communicate that vision and bring it to reality;
- Build an inspired and effective team, engage members and maximize strengths;
- Inspire partners and constituents around a vision, and lead boldly to bring that vision to reality;
- Build strong relationships with the private sector, community members and policymakers; and
- Effectively deploy technology as a communication and teaching tool.

Supporting Dispositions - The successful candidate should have:
- A commitment to and passion for inspiring and equipping each student for a successful life, and improving learning opportunities for historically underserved children;
- The ability to empower teachers, leaders and staff who carry out the vision;
- The desire to work through partnerships and interpersonal relationships with diverse people in a multitude of circumstances;
- A focus on the development of the whole child, including skills and attributes necessary for success;
- A commitment to public education and the structure of public education in Kentucky;
- The disposition to share with and listen to education partners;
- A commitment to be visible and approachable, and lead with dignity; and
- The desire to work with the Kentucky Board of Education to build public understanding and support for the state’s educational goals.
