APPLICANTS SOUGHT FOR KHSAA BOARD OF CONTROL

(FRANKFORT, Ky.) – The Kentucky Board of Education (KBE), through the Kentucky Department of Education (KDE), is seeking an individual to serve on the Kentucky High School Athletic Association (KHSAA) Board of Control to fill a position that will become vacant on June 30.

The KHSAA is the Kentucky Board of Education's designee to manage statewide interscholastic athletic programs. The Board of Control supervises KHSAA, establishes staff salaries, sets goals for the association and has the authority to set rules and review proposed changes to the KHSAA constitution and bylaws. Regular attendance at KHSAA Board of Control meetings is a requirement of the position.

All interested individuals are encouraged to submit a letter of interest, a resume and a minimum of two written letters of recommendation to the Kentucky Department of Education. The KHSAA bylaws require that at least one member shall be African American and one shall be female.

The deadline for applications is March 9. Materials should be sent to the Kentucky Board of Education's KHSAA liaison, Kevin C. Brown, Associate Commissioner and General Counsel, 300 Sower Blvd, Frankfort, KY 40601 or by email to kevin.brown@education.ky.gov.

The Kentucky Board of Education will review all applications for the KHSAA Board of Control at-large position and make an appointment at its April 12 meeting.

Kentucky High School Athletic Association Board of Control At-Large Representation

The Constitution of the Kentucky High School Athletic Association states that four at-large members of the Board of Control are to be appointed by the Kentucky Board of Education (KBE). These members are to be at-large appointments recommended by the Commissioner of Education. These appointees shall not be employees of any member school or its central administration or the administration of the Kentucky Department of Education. At least one of these appointees shall be an African American, and one shall be a female. Terms of the at-large members are to be staggered so that one is appointed each year. Members of the Board of Control shall serve four-year terms unless they are filling unexpired terms created by the death or resignation of a member, in which case the balance of the remaining term is the term in office. The term year for the Board of Control is July 1 through June 30.

No member is eligible to serve more than two consecutive complete four-year terms, with no further limits as to lifetime eligibility.
