DYSLEXIA TASK FORCE TO MEET MARCH 16

(FRANKFORT, Ky.) – The Dyslexia Task Force will meet Thursday, March 16, from 9 a.m. – 3 p.m. ET in the 1st Floor Training Center, Room A, 300 Sower Blvd. in Frankfort.

The Dyslexia Task Force is charged with developing recommendations on policy, personnel, and the instructional and fiscal resources needed to identify and support students with dyslexia. The group's work includes reviewing the most current national data and research on dyslexia; reviewing current policies and practices being implemented across Kentucky and other states for screening, identifying and instructing students with dyslexia; and examining and analyzing state level intervention data and current practices for students with dyslexia.

The task force is comprised of individuals who have experience and expertise in this area, including education shareholders from schools, local districts, postsecondary institutions, education cooperatives and advocacy groups.

The meeting will include a public comment session where participants can sign up to give comments to the task force during the designated time. A full agenda follows:
