CONSEQUENTIAL REVIEW WORK GROUP TO MEET MARCH 27

(FRANKFORT, Ky.) – The Commissioner’s Work Group for Consequential Review, one of the groups involved with developing a new accountability system, will meet Monday, March 27 from 12:30 p.m. – 4 p.m. ET at the Kentucky Department of Education, 300 Sower Boulevard, Room 514, in Frankfort.

The Accountability Work Groups, as support to the Accountability Steering Committee, have designed various elements of Kentucky’s draft accountability system proposal under the Every Student Succeeds Act (ESSA) – the federal law governing public education. The Kentucky Board of Education must approve any changes in the accountability system. The current timeline calls for the new system to be filed with the United States Department of Education by September 18, with full implementation likely in the 2018-19 school year.
