CONSEQUENTIAL REVIEW WORK GROUP TO MEET JULY 14

(FRANKFORT, Ky.) – The Commissioner’s Work Group for Consequential Review, one of the groups involved with developing a new accountability system, will meet Friday, July 14 from 1 – 4 p.m. ET at the Kentucky Department of Education, 300 Sower Boulevard, Room 514, in Frankfort.

The Accountability Work Groups, as support to the Accountability Steering Committee, have designed various elements of Kentucky’s draft accountability system proposal under the Every Student Succeeds Act (ESSA) – the federal law governing public education. The Consequential Review Work Group is charged with evaluating the system for the ability to manipulate it, as well as unintended consequences the system could impose on schools and districts.

The Kentucky Board of Education must approve any changes in the accountability system. The current timeline calls for the Kentucky’s plan to be filed with the United States Department of Education by September 18, with full implementation likely in the 2018-19 school year.
