CHILD AND ADULT CARE FOOD PROGRAM ELIGIBILITY GUIDELINES REVISED

(Frankfort, KY) – The United States Department of Agriculture (USDA) has set the income eligibility guidelines for students and adults to participate in free/reduced-price meal programs through the Child and Adult Care Food Program (CACFP) for 2018-2019.

The CACFP provides for nutritious meals and snacks to qualifying participants attending childcare centers, daycare homes, Headstart programs, adult day cares, homeless shelters and afterschool programs. The program also works to establish positive eating habits at the earliest stages of development; reduces future health care and education costs by encouraging proper early development; and provides training and support of local center personnel.

The program is federally funded through the United States Department of Agriculture (USDA) and is administered by the Kentucky Department of Education (KDE), Division of School and Community Nutrition.

The CACFP uses Income Eligibility Guidelines for Free and Reduced-Price Meals to determine each participant's eligibility.
