Kentucky Department of EDUCATION | OSEEL Office of Special Education & Early Learning

High School Alternate Academic Course Standards Documents

Alternate Academic Course Codes are intended for students with the most significant cognitive disabilities who, as determined by the Admissions and Release Committee (ARC) and documented in the Individual Education Program (IEP), are unable to participate in a general education course code even with accommodations, modifications and supports. Students pursuing any diploma option may be enrolled in general education course codes, Alternate Academic Course Codes or a combination of both, based on individual student needs and graduation requirements.

600121 English 1
Refer to the course standards documents for 230107 English 1 and the Kentucky Employability and Foundational Academic Standards.

600122 English 2
Refer to the course standards documents for 230110 English 2 and the Kentucky Employability and Foundational Academic Standards.
