

READING AND WRITING TEACHER RESOURCE GUIDE

Kentucky Academic Standard (KAS) for Reading and Writing:

Your blueprint for building confident readers and writers starts here. Dive into the *KAS for Reading and Writing* to see what students must master at each grade level and how those skills progress over time, helping you grow confident, capable readers and writers.

KY Standards:

This website is your home for high quality, evidence based literacy learning. Explore tools, modules and resources that strengthen reading and writing instruction across Kentucky. Access the guidance and tools you need to teach with clarity and confidence.

KY Learning Hub:

The KY Learning Hub puts high quality professional learning at your fingertips. Access asynchronous courses that support every part of implementing the *KAS for Reading and Writing*, including the Interdisciplinary Literacy Practices. Build your expertise on your schedule and bring stronger literacy instruction to every student.

Intellectual Preparation:

Leverage your team planning to prepare for effective literacy instruction. These Reading and Writing intellectual preparation tools help you unpack HQIRs by internalizing units to understand how bundled standards create coherent learning. Teams rehearse lessons and analyze student work to support student learning. These tools help you facilitate vibrant, meaningful learning experiences for every reader and writer.

Early Literacy Resources:

Set every student on the path to reading success by exploring early literacy supports that build strong foundations, accelerate growth and inspire confident young readers.

Course Codes:

Your guide to which Reading and Writing courses align to the standards and graduation requirements. See exactly what each course covers and how it fits into your students' pathway.

Standards Family Guides:

These guides help families understand what literacy looks like at their child's grade level, from analyzing complex texts, to building fluency, vocabulary and writing stamina. Each guide offers family friendly tips, questions and daily routines that support comprehension, writing with evidence, and critical thinking. Sharing these resources strengthens the home-school partnership and extends learning beyond the classroom.
