

SOCIAL STUDIES

TEACHER RESOURCE GUIDE

Kentucky Academic Standards (KAS) for Social Studies:

Your blueprint for building curious and engaged students starts here. Dive into the *KAS for Social Studies* to see what inquiry practices and disciplinary content students must master at each grade level and how those skills progress over time, helping students to think like political scientists, economists, geographers and historians.

KY Standards - Social Studies Resources:

This website is your home for high-quality, evidence based social studies learning. Explore tools, modules and resources that strengthen social studies instruction across Kentucky. Access the guidance and tools you need to teach with clarity and coherence.

KY Learning Hub:

The KYLearningHub puts high-quality professional learning at your fingertips. Access asynchronous courses that support every part of implementing the *KAS for Social Studies*. Build your expertise on your schedule and bring stronger social studies instruction to every student.

Student Assignment Library:

Elevate your classroom with a curated collection of student assignments and learning experiences designed for each grade level K-8 and high school. Each resource is meticulously crafted to demonstrate alignment with the *KAS for Social Studies*, making it easier than ever to bring high-quality instruction to your students.

Course Codes:

Your guide to which social studies courses align to the standards and graduation requirements. See exactly what each course covers and how it fits into your students' pathway.

Standards Family Guides:

These guides help bridge the gap between home and classroom by translating the *KAS for Social Studies* into family-friendly language, showing exactly what social studies mastery looks like at every grade level. These resources provide helpful questions and discussion topics to reinforce their learning at home.
