

Standards Implementation Virtual Workshops Fall 2019

Each month two webcasts and one virtual workshop will be available to provide information and professional learning around standards implementation. The three monthly opportunities will cover different aspects of related topics and although attendance in all three will result in the greatest learning, it is not required. The virtual workshops are offered at both 4:00 and 5:00 pm ET to accommodate educators in both time zones.

Using Alignment Tools for Standards Implementation

Sep 26, 2019 4:00 pm and 5:00 pm ET

Participants will practice using the alignment tools for KAS for Reading and Writing and Mathematics with guidance from KDE content consultants.
