| 3:30  | Pulse Check            | Lauren Gallicchio         | • Key Vocabulary in Glossary – Small group reviewed all grade levels and added missing vocabulary in glossary.  
• Looks Like in Practice, Application of Inquiry – K-8 snapshots were created for practice and application.  
• Grade Level Introductions, Looking Back and Ahead, Opportunities for Cross Disciplinary Connections – K-8 introductions expanded for 1-8 with additional links to social studies education; finished K-8 looking back and ahead sections, attempted suggestions for K-8 cross disciplinary that offer guidance but allow for local control.  
• K-8 Standard Clarifications – K-5 clarifications completed. 6-8 – clarifications added; need review.  
High School Clarifications – revised; need a review. |
| 4:00  | Close of Meeting       | Lauren Gallicchio         | Meeting Adjourned  
Kim Mroch motioned to adjourn the meeting.  
Heather Ransom seconded the motion.  
All members were in favor.                                                                                                                                                                                                                                                                                                             |
