

SBDM Online Training Options

Kentucky Educational Television (KET) offers several online training options that allow both new and experienced members to learn at their own rate. These include a fee-based, facilitated course as well as opportunities for experienced SBDM members to enroll in free, self-paced courses on PBS LearningMedia and PBS TeacherLine.

Check out the descriptions below for details! All courses are approved for SBDM EILA credit.

KET's Facilitated Course for SBDM Members

KET offers a convenient, online, fee-based course:

- **[Intro to SBDM](#)**

This course is facilitated by Dr. Tom Hiter, a certified SBDM trainer. It fulfills the training requirement for new SBDM members and provides six hours of SBDM EILA credit. There is an enrollment fee of \$95 per person.

Registration for the course is open during the year on the following schedule:

- Summer/Fall: July 1 – October 15
- Winter: November 1 – February 15
- Spring: March 1 – June 15

Participants work at their own pace and have several weeks to complete the course. SBDM coordinators can enroll members at any time during a term, but participants who don't complete the course by the final day will have to re-enroll at the start of the next term.

To learn more about the course or to register, visit <http://edustore.ket.org>. Instructions for registration are on the site. If you experience difficulty with registration or payment, please contact Cynthia Barton, KET Professional Development/Special Projects Coordinator, at 859.258.7271 or 800.432.0951 or cbarton@ket.org.
