

FOOD & NUTRITION SERVICE STANDARD TERMS AND CONDITIONS

Effective August 1, 2016, all new USDA Food and Nutrition Service grants and cooperative agreements, as well as amendments to existing awards, are subject to the following Standard Terms and Conditions.

The USDA Food and Nutrition Service (hereinafter referred to as “Agency”) awards funding to the Grantee (hereinafter referred to as “Recipient”). By acceptance of this award, the Recipient agrees to comply with the terms and conditions of the award listed below. Important information regarding the award, including the Agency contact and CFDA number, is contained on the Grant/Cooperative Agreement Form FNS-529.

The Recipient shall conduct the project as described in its submission of the Officer of Management and Budget (OMB) Standard Form 424, 424A, proposal, and budget narrative, including any subsequent revisions, amendments and/or clarifications.

Effective January 1, 2020, the System for Award Management (SAM.gov) will become the central repository for common government-wide certifications and representations required of Federal grants recipients. As registration in SAM is required for eligibility for a Federal award and registration must be updated annually, Federal agencies will use SAM information to comply with award requirements and avoid increased burden and costs of separate requests for such information, unless the recipient fails to meet a Federal award requirement, or there is a need to make updates to their SAM registration for other purposes.

STANDARD TERMS OF THE AWARD

- 1. Funding:** The Agency will provide funds to the Recipient in the amount stated on the Grant/Cooperative Agreement Form FNS-529, Box 11, and as specified in the award letter, for use in accordance with this agreement. Funds will be provided at the Agency’s discretion through the Letter of Credit, Reimbursement, or in advance of need, upon receipt of a properly executed Grant/Agreement Form FNS-529. The Total Amount Of The Federal Award – Box 13 of the FNS-529 – includes both Federal and non-Federal funding, such as cost sharing, matching or a Recipient’s voluntary contribution.
- 2. Performance Period:** The period of performance for this project is listed on the Grant/Cooperative Agreement Form FNS-529, Box 20 and 21. The recipient may only incur allowable costs during the period of performance. Any costs incurred prior to the period of performance must be approved in writing by the Agency.

All funds must be obligated and all program activities under the agreement (other than activities related to the close out of the agreement) must be completed by the Expiration Date listed on the Grant/Cooperative Agreement Form FNS-529, Box 21. The closeout of the agreement must occur within 90 days of the expiration date, and all obligations incurred under the agreement must be liquidated by this date.

- 3. Amendments/Revisions and Budget Changes:** The Recipient may request an amendment or revision to the agreement, including the proposal, in writing at any time during the duration of the agreement. Prior approval is required for any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision), changes in key personnel, such as the project director, disengagement from the project for more than three months (or a 25 percent reduction in time devoted to the project) by the project director, transfer of funds budgeted for participant support costs, the subawarding, transferring or contracting any work (unless approved in the submitted application

package) or changes to budget line cost/expenditure. All amendments or revision must be submitted in writing to the Agency Contact listed on the Grant/Cooperative Agreement Form FNS-529, box 7.

The Recipient may transfer costs within the approved direct cost categories to meet unanticipated requirements. However, as required in 2 CFR 200.308(e) the Agency requires that prior approval be obtained for any budget revision that involves a shift of funds among line-items in excess of 10% of the total approved project budget. Such revisions must be submitted in writing with a revised budget in the same format as the original budget. All other requirements within 2 CFR 200.308 shall also apply.

The Recipient must include justification with any proposed amendment/revision and budget changes. All requests for changes must be made at least 10 days before the end of the award period. Any request received after this time will not be considered.

- 4. Non-agreement Funds:** The Recipient may seek and apply for funds from other sources in support of the mission of the agreement.

REPORTING

- 1. Progress Reports:** State agencies must maintain all appropriate records regarding this grant project, including but not limited to purchase records of equipment, as well as other grants-related expenditures. These records must be available for review and inspection by the awarding agency upon request.

State agencies must report immediately any problems, delays, or adverse conditions that impair the Grantees ability to meet the project objectives to their respective Regional Office. The notification must include information on action taken or contemplated in response to the problem.

All materials developed with funding from this Agreement must be submitted in an electronic format (preferably Microsoft Word).

Grantees are strongly encouraged to submit Progress Reports via electronic mail to the Grants Officer listed on the FNS-529. If the Recipient wishes to send a hard copy, an original shall be sent to the address listed on the Grant/Cooperative Agreement Form FNS-529, box 18.

"Federal purposes" include the use of award products in activities or programs undertaken by the Federal Government, in response to a governmental request, or as otherwise required by federal law. If the Agency obtains the research data solely in response to a FOIA request, the Agency may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data.
