

Homeless FAQ

Q. Is this a continuation grant that is re-written each year or funded based on the first year's program that will be on-going? How do we approach this in the narrative?

A. If awarded, you will receive the grant for up to three years. Each year you are to submit your plan budget narratives and along with the available funding received from the US department of Education will determine the amount awarded for that year.

Q. Is there a minimum number of homeless youth that a school district must serve in order to apply for the grant?

A. No

Q. On the proposed budget pages with the MUNIS Codes, can we delete the MUNIS codes that we do not plan on using?

A. Yes
