

**CUMBERLAND COUNTY SCHOOL DISTRICT
NONRESIDENT PUPIL POLICY**

DEFINITION OF LEGAL RESIDENT

Residence is established by where the student normally resides. If this is other than the residence of the legal guardian, other documentation may be required.

ENROLLMENT

Nonresident pupils may be admitted to the district upon approval of the superintendent or superintendent's designee. Upon approval, the nonresident students will be eligible to enroll in public schools located within the district contingent upon capacity and shall be assigned to a school by the school district.

Nonresident students who have been expelled or suspended from another school district or whose suspension or expulsion is pending shall not be permitted to enroll in the district's schools unless there are extenuating circumstances as determined by the superintendent.

When the addition of a nonresident student would require the hiring of additional teachers and/or support staff in the classroom or unit where the student would be enrolled, the applicant will be provided the opportunity to enroll in another district school if available. Determination of this capacity requirement will be based upon applicable class size regulations, building capacity as determined by the Kentucky Department of Education, and other state age and class size restrictions.

Enrollment of nonresident students shall not create a situation that exceeds capacity of a school.

The district shall not discriminate on the basis of race, color, national origin, age, religion, marital status, sex, sexual orientation, or disability in enrollment set forth in Office of Civil Rights Law, Title VI, VII, IX ADA and Section 504.

TUITION

No tuition shall be charged as long as the student's district or residence releases ADA funds to Cumberland County Schools for that student.

TRANSPORTATION

The district will not provide transportation outside of the district boundaries for nonresident students.

PROCESS OF ENROLLMENT

An annual enrollment process shall be determined by the superintendent or the superintendent’s designee.

ATHLETIC PARTICIPATION

Movement of nonresident student athletes from one district to another shall be addressed by KHSAA regulations.

STATUS OF NONRESIDENT STUDENTS

Nonresident students are accepted in the district for one school year term. During the school year, the student is expected to abide by all school rules, the student discipline guidelines, and subject to the disciplinary procedures as set forth therein.
