

2024-2025 School Year - KDE Attendance Clerk Training

The 2024-2025 School Year is beginning soon! KDE will be providing attendance clerk training for all Kentucky schools across the state. The training is designed for DPP's, KSIS points of contact, principals, assistant principals, and attendance clerks (New and Season). This will be an in-person training, and EILA credit will be provided for training completion.

Please click the registration link below if you plan to attend the training. There are multiple locations and dates available. There are morning and afternoon sessions each day where the training is conducted. The agenda is provided below.
