Data Standard Alternative Education Programs - KECSAC

Rev. 7/1/2025

Overview

Description

This standard details requirements for students being served by the local school district who have been placed by a state agency and are generating KECSAC funds. Districts must have a *Memorandum of Agreement (MOA)* with KECSAC to receive these funds for services provided to state agency placed students.

Section A – KECSAC Tab

Tool Search: KECSAC

The screenshot shows a search tool interface for KECSAC. It features a header with the text 'KECSAC'. Below the header, there are five input fields arranged in two columns. The left column contains three fields: '*Status Date' (with a calendar icon), '*Start Date' (with a calendar icon), and '*Classification for SAC Eligibility' (a dropdown menu). The right column contains two fields: 'Status Time' and 'End Date' (with a calendar icon). All fields are currently empty.

Status Date: Defaults to the date the record is created (no requirement to change)

Status Time: Defaults to the time the record is created (no requirement to change)

Start Date: Enter the date the student was placed in the state agency program or when a student from any public school is placed under the care of a state agency. This is the date the district or school begins receiving KECSAC funds for the student.

End Date: Enter the date the student withdrew from the state agency program or no longer generates KECSAC funds for the school in which the student is enrolled.

NOTE: KECSAC records should correspond to student Enrollment records. When a student moves in and out of KECSAC facilities a new record should be created.

When enrollment records are ended as C01: Close of Year, the corresponding KECSAC tab will end date. Districts should create a new KECSAC record corresponding to the start date of the student's first enrollment in the new school year.

Classification for SAC Eligibility: Select from the drop list one of the six classification categories that qualifies the student as state agency eligible.

01: Court ordered to attend program: Those children being served in a DJJ operated or contracted institution or program who are placed in the program via an official order from a judicial court in Kentucky.

02: DCBS-Committed to or in custody of; in home and community-based services

Data Standard Alternative Education Programs - KECSAC

provided as an alternative to intermediate care facility services for the intellectually disabled. Reference [KRS 158.135 \(1\)\(a\)\(2\)](#).

03: DJJ-Committed to or in custody of - Those children committed to or in custody of the Department of Juvenile Justice and placed in a department operated or contracted facility or program. Reference [KRS 158.135 \(1\)\(a\)\(3\)](#).

04: Placed or financed in a private facility agreement w/Cabinet (MHDT and some DCBS) - committed to or in custody of the Cabinet for Health and Family Services and placed, or financed by the cabinet, in a Cabinet for Health and Family Services operated or contracted institution, treatment center, facility, including those for therapeutic foster care and excluding those for nontherapeutic foster care. Reference [KRS 158.135 \(1\)\(a\)\(1a\)](#).

05: Probated – When a person has been convicted of an offense or who has entered a plea of guilty and is not sentenced to imprisonment, but placed on supervision, guidance, assistance or direction provided as a probation service. Reference [KRS 533.020](#).

06: FAIR Team Referral – Family Accountability, Intervention and Response Team created by each judicial district to develop enhanced case management plans and opportunities for services for children referred to the team. The team must include a court-designated worker in the judicial circuit or district. Reference [KRS 605.035](#).

Clarification for foster youth: To be considered a KECSAC child, the student must be of school age AND committed to or in the custody of the Cabinet AND placed or financed in a DCBS operated or contracted institution, treatment center, or facility. Traditional foster youth who live in a traditional family home are not considered a state agency student, even though they are committed to or in the custody of the Commonwealth because they are not in an institution, treatment center or facility.

Abbreviations for state agency placement:

- DCBS: Department for Community Based Services
- DJJ: Department of Juvenile Justice
- MHDT: Mental Health Day Treatment

Section B – KECSAC and Accountability

For a student to be counted as a state agency student for Student Data Review and Rosters (SDRR) and accountability, the KECSAC records must match the start and end dates in the state agency facility (A6 program) enrollment.

- When a student enrolls into a state agency facility, a KECSAC record should be created with a start date that matches the student’s enrollment start date.
- If a student withdraws from the facility, the active KECSAC record should be end dated to match the enrollment withdrawal date.
- If a student returns to a facility, a new KECSAC record should be created with a start date matching the new enrollment date.

ALL state agency enrollment dates must match the KECSAC record dates.

Data Standard Alternative Education Programs - KECSAC

Rev. 7/1/2025

There are occurrences when a student will be enrolled in an A1 or A5 school and the student is placed in state agency care but remains enrolled in the A1 or A5 school (district operated programs). In these cases, the KECSAC start date would be the date the student was placed under the care of a state agency and the end date would be the date the student was removed from state agency care or has a gap in enrollment in which case it would match the end date of the last enrollment prior to the gap. A new KECSAC record would be created for enrollment after the gap.

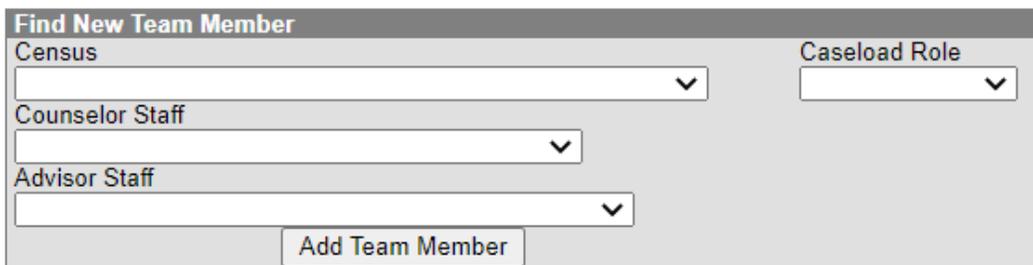

Section C – ILPA Team Members Tab

The Team Members Tab data will populate the Team Meeting information within the ILPA editors. Enter all staff that will be participating in the transition planning for the specified student.

Tool Search: ILPA Team Members

Team members that are already in the system can be added using the **Find and Link New Team Member** button.

The screenshot shows a form titled 'Find New Team Member'. It contains three dropdown menus: 'Census', 'Counselor Staff', and 'Advisor Staff'. To the right of the 'Census' dropdown is a 'Caseload Role' dropdown. At the bottom of the form is an 'Add Team Member' button.

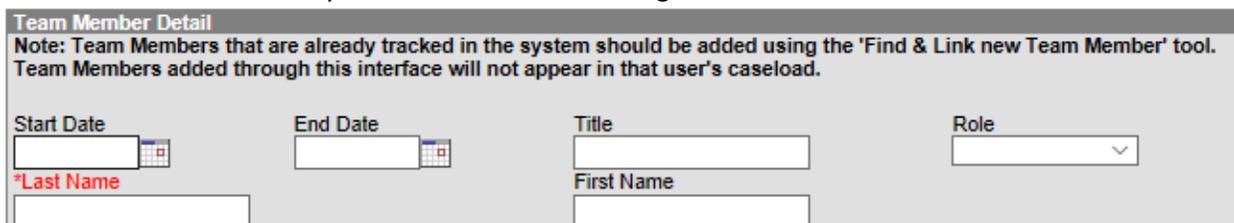

Census: Use this drop list to select team members from database census

Counselor Staff: This drop list will contain staff designated as counselor via **Census | Staff | District Assignments* (Reference [ILPA Team Member District Assignment Instruction](#))

Advisor Staff: This drop list will contain staff designated as advisor or via **Census | Staff | District Assignments* (Reference [ILPA Team Member District Assignment Instruction](#))

Caseload Role: Select from the drop list the appropriate

Team members not in the system must be entered using the **Enter New Team Member** button.

The screenshot shows a form titled 'Team Member Detail'. It includes a note: 'Note: Team Members that are already tracked in the system should be added using the 'Find & Link new Team Member' tool. Team Members added through this interface will not appear in that user's caseload.' Below the note are several input fields: 'Start Date' and 'End Date' (both with calendar icons), 'Title' (text input), 'Role' (dropdown), '*Last Name' (text input), and 'First Name' (text input).

Start Date: Enter the date on which specified member is added to the team

End Date: Enter the date in which member was removed from the team, if applicable

Data Standard Alternative Education Programs - KECSAC

Rev. 7/1/2025

Last Name: Enter the last name of the member

First Name: Enter the first name of the member

Role: Select the appropriate role for the member

Section D – Individual Learning Plan Addendum (ILPA)

Students placed long-term in a KECSAC program must have an active, **locked** *Individual Learning Plan Addendum* (ILPA). KDE defines long-term placement as more than 10 consecutive school days.

Tool Search: ILPA Documents

Click the *New Document* button

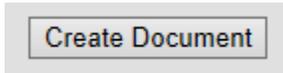

Select the *Create New Plan* indicator

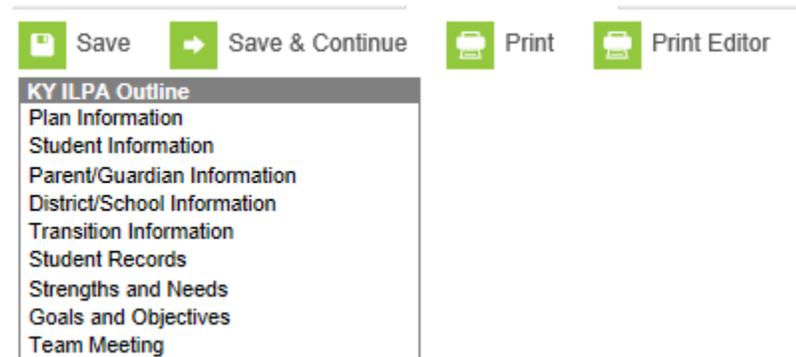

Select *KY ILPA* indicator

Click **Create Document** button

The KY ILPA Outline shows each editor of the plan and acts as a navigation tool. Saved editors display in bold.

While editing the plan, the following buttons are available for use:

- **Save:** Select to save the data entered on the current editor
- **Save and Continue:** Select to save the data entered on the current editor and to move to the next editor
- **Print:** Select to print the entire ILPA document (all editors)
- **Print Editor:** Select to print only the current editor

- Create an unlocked copy of the previous ILPA
- End date the previous ILPA one day less the start date of the new ILPA
- Previous ILPA will remain locked

Open the new ILPA and make appropriate updates to students' goals and objectives for the current stay in the alternative educational program.

When complete, **lock** the new ILPA.

Section F – Progress Report

The progress of the students' goals and objectives should be monitored on a regular basis. KDE recommends monitoring progress of the student's goals and objectives based on the same timeline as progress is reported in the other schools in your district.
