Overview

Description
Student tracking is required in both off-site and on-site alternative education programs. The Individual Learning Plan Addendum (ILPA) is required for students placed long-term in an off-site or on-site alternative educational program. KDE defines long-term placement as more than 10 consecutive school days.

Reports
- Alternative Education Programs report
  The purpose of this report is to assist districts and alternative educational programs (AEP) in obtaining data to provide technical assistance and monitoring of students served by off-site and on-site AEPs. Reference the Quick Reference Card.
- Transient Population Report
  Path: KY State Reporting | KDE Reports | Transient Population
  This report can be used to identify transient students currently enrolled in a district and/or school. Students are identified as transient if they have been enrolled in 3 or more schools in the current school year; 5 or more schools in the last 2 school years; or 10 or more schools in the last 5 school years. Reference the Quick Reference Card.

Training
- Various trainings are posted via KDE’s Alternative Education Program website.
Section A – School Detail (off-site alternative education program)
Off-site alternative education programs must have a school number and be designated as an Alternative Education School. Student entry/withdrawal must be tracked within Infinite Campus. Students enrolled long-term must have an active, **locked** *Individual Learning Plan Addendum* (ILPA). KDE defines long-term placement as more than 10 consecutive school days.

**Type:** This field is populated by KDE, if *04: Alternative Education School* is not selected in this drop list, please contact [Windy Spalding](mailto:Windy.Spalding@k12.ky.us) to update.

**State Classification:** This field is populated by KDE and is locked in district edition.
- A5: District-operated alternative education program (used for off-site programs only)
- A6: KECSAC funded program serving state agency children

**NOTE:** Blended programs are designated as an A6 state classified program.

Section B – Course Detail (on-site alternative education program)
On-site alternative education programs must have course sections marked as *02: Alternative Classroom* for each content class offered to students. Students placed in an on-site program should be assigned to the specified course sections. Students enrolled long-term must have an active, **locked** *Individual Learning Plan Addendum* (ILPA). KDE defines long-term placement as more than 10 consecutive school days.

If student exits program and returns within the same academic year, the Copy feature can be used instead of the district creating a new ILPA upon re-entry.
Section E – Copy Feature (use upon re-entry in alternative program within same academic year)

Upon student’s re-entry into alternative educational program within the same academic year, a new ILPA is not required; the student’s previous ILPA can be copied and updated, as necessary.

Classic View: Student Information | ILPA | General | Documents Tab

Search Terms: ILPA Documents

Select student’s previous ILPA

Click the Copy button

Click OK when the warning appears

New Plan Type: default KY ILPA

Start Date: Enter the start date of the new ILPA (date in which revised plan will begin)

End Date: Enter the end date of the new ILPA

Click Copy button

This step will do the following:

- Create an unlocked copy of the previous ILPA
- End date the previous ILPA one day less the start date of the new ILPA
- Previous ILPA will remain locked

Open the new ILPA and make appropriate updates to student’s goals and objectives for the current stay in the alternative educational program.

When complete, lock the new ILPA
Section F – Progress Report

Progress of the student’s goals and objectives should be monitored on a regular basis. KDE recommends monitoring progress of the student’s goals and objectives based on the same timeline as progress is reported in the other schools in your district.
