Section A – Entering a Prior Setting Record

Campus Path: Path: Student / General / Early Learning Prior Setting

The screenshot displays a software interface for managing Early Learning/Prior Settings. At the top, there are two tabs: "Enrollments" and "Early Learning/Prior Settings", with the latter being the active tab. Below the tabs, there are two buttons: a green "+" button labeled "Add Early Learning/Prior Setting" and a green "Save" button. The main area is divided into two sections. The upper section, titled "Early Learning/Prior Settings List", contains a table with the following columns: "Type", "Name", "Address", "Start Date", and "End Date". The table is currently empty. The lower section, titled "Early Learning/Prior Settings Detail", contains a form with the following fields: "*Type" (a dropdown menu), "*Name" (a text input field), "Address" (a text input field), "License" (a text input field), "*Start Date" (a date picker), "End Date" (a date picker), and "Comment" (a large text area). The asterisk (*) indicates required fields.

Early Learning/Prior Settings Detail:

Type: This is the type of setting where a student was enrolled during the 12 months prior to entering kindergarten. The Name and Address fields are only required if you select Type: *01: State Funded Preschool*, *03: Head Start*, or *05: Child Care*.

Data Standard Early Learning Prior Settings

Rev. 7/23/2021

Address: This is the address of the early learning facility. The address will populate once the name has been selected.

License: The license number will populate once the name has been selected. The license number for child care is the license number or certified number provided by the Division of Regulated Child Care. The license number for state funded preschool is the state issued district/school code.

Start Date: Enter the student's start date at the early learning facility. This date is provided by the parent. If the date is unknown, enter the date one year prior to the first instructional day of the academic year.

End Date: If applicable, please enter the date the child last received services from the early learning facility. If the date is unknown, the field may be left blank.

Comments: This field is for the district/school to make additional comments.

****Please note:** Districts are required to collect early learning prior settings on students for the 12 months prior to entering kindergarten. This process must be completed with each early learning facility the family reports to the school. A child may have attended multiple early learning facilities and each setting must be entered separately.
