Infinite Campus: <u>IC_Text4College Project Report</u>

<u>Custom Report: IC_Text4College Project Report -</u> This is a custom District Edition Campus report of students who have graduated in 2020-21 that will be used exclusively by schools that have an agreement with the Text4College Project.   This report will be used by AIR and KCTCS to conclude if text messaging students through the summer determines if the student follows through with college plans. Students, who have opted into the program, will receive text messages through the summer.

<u>Selection Criteria</u>: The Infinite Campus Toolbar will control the school(s) and year for which the report will generate. A specific year must be selected - All Years is not a valid selection.
