➤ STEP 5

ADD PRIMARY TEACHER TO SECTION (STAFF HISTORY TAB)

Every section must have a Primary Teacher assigned. If teachers are not added as the Primary Teacher to a section, they will not be able to see the section populate in the dropdown of their Campus Instruction. You must add the Primary Teacher through the Staff History tab. The Staff History tab tracks the history of teachers for a particular course section. The Staff History tab lists active primary teachers, teachers, and section staff. It also lists former primary teachers, teachers, and section staff. For KTS Data Exchange purposes, you should give your teacher a Primary Teacher designation only. If additional staff are involved in a course, see the [Teacher of Record data standard](#) on the KSIS website for further direction.

Note about Assignment Dates:

In most situations, the Assignment Dates should be left blank. They are only populated if the Primary Teacher is assigned to the section AFTER the first day of the first schedule term, or if the Primary Teacher is no longer assigned to the section BEFORE the end of the last scheduled term. Assignment dates cannot exceed the section's start and end dates.

NOTE: High schools should NOT refer to this document for Staff History tab purposes. They should follow district policy and data standards regarding proper Staff History tab setup and use of the Staff Locator.

The screenshot displays the 'Staff History' tab for section '1234-5 English 128B'. The main table lists staff members with the following data:

Name	Assignment Start	Assignment End	Access Start	Access End	District Assignment	Role
Primary Teacher						
Teacher, Jenny						
Teacher, Steven	10/01/2016	12/23/2016				Teacher of Record
Section Staff						
Teacher, David W	10/01/2016	12/23/2016				

The 'Staff History Detail' modal window shows the following fields:

- Name: Teacher, Jenny
- District Assignment: [Dropdown]
- Role: [Dropdown]
- Assignment Start Date: [Date Picker]
- Assignment End Date: [Date Picker]
- Access to Section Dates: Unrestricted, Date Range
- Comments: [Text Area]

At the bottom of the modal, there are two radio buttons for the 'Teacher Display Name on Section':

- Continue using the current Teacher Display Name from the Section tab: Teacher, Jenny
- Use a new Teacher Display Name on the Section tab: Teacher, Jenny
