Good morning,

To date, the Infinite Campus NTI Data Collection tab has not been updated to the 2024-2025 school year. Please hold on attempting to enter the NTI participation data into IC until notice has been sent that the data entry screen has been updated. The path to enter this data is System Administration | Resources | District Information, NTI Data Collection tab, reference the [Non-Traditional Instruction Data Standards](#).

I will send notice to the Non-Traditional Instruction (NTI) District Contact as soon as the screen has been updated and districts can begin to enter the data. Please let me know if you have any questions, thank you!
