Title III English Learner Coordinators,
Good afternoon, the 2024 ALT ACCESS assessment details have been pushed down to district Infinite Campus databases. The data provided are as follows:

- Overall Composite Result
- Listening Scale Score and Result
- Literacy Result
- Reading Scale Score and Result
- Speaking Scale Score and Result
- Writing Scale Score and Result

The assessment data can be viewed in the following locations:

- Student Information | General | Assessments
- Student Information | Program Participation | English Learners (EL) | EL Assessments

The exit criteria for the 2024 ALT ACCESS will remain as a composite score of P2. Districts can generate the report type of *Reach ACCESS Attainment Prior Error Report* available on the landing page of the *QA English Learners* report to obtain a list of students in the district who have reached attainment on a prior ACCESS assessment, but the EL record has not been updated to an exit status. The report is located via *KY State Reporting | KDE Reports*. Appropriate staff must be granted access to the report by their district administrator.

Students who have reached attainment on 2024 ALT ACCESS or 2024 ACCESS should have a Program Status of EL Exited, a Program Exit Date of 6/30/2024 and all EL Services and Accommodations ended as 6/30/2024.

Please share with appropriate staff in your schools responsible for EL data entry, thank you!
