District Title III Coordinators:

As of November 30, the [Administrative Code and Inclusion of Special Populations Regulations](#) were updated and several changes were made effecting English Learner programs. Based on these changes, the EL **Assessment** Accommodation *SL-A Simplified Language* will be deactivated within Infinite Campus. Existing records will not be affected; however new records created will not allow this selection once the deactivation has occurred. A follow-up notification will be sent once this task is complete.

The [English Learners Data Standards](#) have been updated. Please share with appropriate staff in the schools and districts responsible for data collection and reporting. Thank you!
