Subject: Non-Traditional Instruction Guidance

Good afternoon,

The [Non-Traditional Instruction Guidance](#) has been updated for district use and reference. The document is posted on KDE's [NTI website](#) and will be linked in the [NTI Data Standards](#).

Please let us know if you have any questions or concerns. Thank you!

Subject: Non-Traditional Instruction Data Standard

Good afternoon District NTI Contacts,

The [Non-Traditional Instruction \(NTI\) Data Standard](#) has been updated. The following items have been addressed in the updated standards:

- documentation of an NTI due to COVID-19
- expanded to provide methods of delivering instruction
- additional clarification on calculation of student and teacher participation rates

Districts are allotted **10** NTI days for the 2021-2022 school year. Use of an NTI day requires that the **entire** district be closed due to health or safety reasons.

The KDE's Non-Traditional Instruction [website](#) has also been updated providing additional resources and information to assist in the planning and implementation of the district's NTI

program. KDE is currently working on an all encompassing NTI Guidance document. Upon completion the guidance will be posted on this website and distributed to the district NTI contacts.

Please share this standard and email with the appropriate school staff responsible for this data collection. Thank you!

Windy Newton
