<b>FRYSC State Report Updates</b>	<p>The following updates were made to the <a href="#">FRYSC State Report</a>:</p> <ul style="list-style-type: none"> <li>• In the PDF format of the report, all zeros now report as a dash.</li> <li>• The 'Total Contact Count' field has been added. This field reports the total number of unduplicated contacts that took place.</li> <li>• The '# of Meetings' field is now located between the Duplicated Parent Contacts and Total Contact Count fields.</li> <li>• A CSV format has been added for the FRYSC State Summary, State Individual Interventions and State Group Program sections of the report. Users can now generate just these report sections in a CSV file.</li> </ul>
<b>FRYSC Individual Intervention Rosters Report</b>	<p>Users with calendar rights to a substantial amount of calendars were encountering an issue when attempting to generate the <a href="#">FRYSC Individual Intervention Rosters report</a>. This issue was corrected.</p>
<b>Homeless Services (NEW)</b>	<p>A new <a href="#">Homeless Services</a> section has been added to the Homeless Program. This new section allows schools and districts to track a student's homeless services if desired and contains the following new fields:</p>

<b>Academic Programs</b>	The ability to define criteria for certification has been added to Academic Program Setup. Along with this ability, a new option has been added to post certifications using the Course Plan Administration tool.
<b>Assessments User Security</b>	<p>The ability to mark a test as 'RESTRICTED' has been added. This functionality limits the visibility of the assessment information to designated user groups:</p> <ul style="list-style-type: none"> <li>• User Groups with READ-ONLY access to this Test</li> <li>• User Groups with READ/WRITE access to this Test</li> </ul> <p>At least one user group must be selected to save the assessment when it is marked as restricted. The results of 'RESTRICTED' tests are not visible on the Student Assessment tab.</p>
<b>Campus Instruction - Emergency Contacts</b>	The Student Detail modal, which displays in various areas of Instruction when a user clicks a student's name, has been updated to sort student Contacts in order by Emergency Priority and to display the priority ranking of the contact.
<b>Enrollment Editors - Enrollment ID Display</b>	<p>The General Enrollment Editor now shows the Enrollment ID number and a Rolled from Enrollment ID value. Both of these are read-only fields.</p> <ul style="list-style-type: none"> <li>• The Enrollment ID is for informational purposes only.</li> <li>• The Rolled From Enrollment ID displays the identification number of the enrollment record from which the enrollment was rolled forward and only displays when the enrollment was created using the Enrollment Roll Forward tool.</li> </ul>
<b>Filter Assessments by Status / Type of Test</b>	A new filter feature has been added to the Assessment Center. Users can filter assessments by Test Status and Test Type.
<b>Income Eligibility Guidelines</b>	The Income Guide tool has been renamed to Income Eligibility Guidelines. This tool now displays with the active school year automatically selected. The ability to export an Excel spreadsheet of the information displayed on the Free tab or the Reduced tab has also been added.

	As part of this change, the Letter to Household was updated to use the terms "Twice Per Month" and "Every Two Weeks" instead of semi-monthly and bi-weekly. The Letter needs to be re-saved in order to see this change.
<b>Scheduling Group added to Advanced Course Section Search</b>	In an effort to gain parity with Classic Campus, a Group field has been added to the Advanced Course Section search in the New Look of Infinite Campus. This field allows users to filter course section search results based on scheduling group.
<b>Security Email Address Information Now Accessible Within Ad Hoc Reporting</b>	Administrators can now view and access user account Security Email Addresses via the usage.securityEmail field in Ad Hoc Reporting (Census/Staff   Campus Usage   User Account/Summary   securityEmail). By making this information available, administrators can now help users troubleshoot account issues, particularly those who have forgotten their Security Email Address.
