All,
 All,
Please see the notice below on behalf of Windy Spaulding. Thank you!

Please verify the district's 2023 retention data (students retained from 2022-23 SY to the 2023-24 SY) by following the Retention Reporting Process guidance. Retention reporting includes students retained in grades 4-12.

The retention data collection timeline is as follows:
•   October 31st: Data should be verified, and all errors resolved by schools and districts.
•   November 1st: Retention data will be extracted from Infinite Campus by KDE.

This data will be publicly reported on the 2023-24 School Report Card. Please contact Windy Spalding with questions or concerns, thank you!
