Subject: KSIS Notification: Retention Reporting

Please verify the district's 2022 retention data (students retained from 2021-22 SY to the 2022-23 SY) by following the Retention Reporting Process guidance. Retention reporting includes students retained in grades **4-12**.

The 2021-22 retention data collection timeline is as follows:
- October 28th: Data should be verified, and all errors resolved by schools and districts
- November 1st: Retention data will be extracted from Infinite Campus by KDE

This data will be publicly reported on the 2022-23 School Report Card. Please contact Windy Newton with any questions or concerns, thank you!
