Subject: KSIS Notification: Spring 2020 ACT Scores to be published

KSIS Contact:

The information below was included in this week's Monday DAC Email. The Benchmark Report and Custom Assessment Report in Infinite Campus can be generated to review student assessment scores (Path: KY State Reporting/KDE Reports).

Spring 2020 ACT Scores in Infinite Campus (IC)

The Kentucky Department of Education (KDE) strives to publish student results data in IC as it becomes available. In this spirit, the Junior ACT test from the 2019–2020 school year has been imported into IC. These are the test results from last spring for students who were able to test. The fall 2020 ACT scores will be imported whenever they become available.

KDE will publish these scores to all districts beginning on Aug. 25, 2020. Please email [Raymond Carter](mailto:Raymond.Carter@education.ky.gov) with any questions on this matter.
