

2019-2020 – SRC Communication #12

Distributed: Oct. 5, 2020 -- Superintendents, SRCC/DACs

Dates for SRC Early, Public Release

The early release (embargo period) for the School Report Card (SRC) will begin Oct. 9 for districts and Oct. 12 for the media. The public release is scheduled for Oct. 14.

The data entry, validation and approval period has ended. Data that was changed in Infinite Campus last week will be refreshed in School Report Card on **Oct. 7**, *if a data refresh was requested*. No additional changes can be made prior to public release.

The School Profile Report for each of a district's schools should be complete with signatures and available in the local board office beginning Oct. 1. There is also an option for the public to print an unsigned copy from the School Report Card when it is public.

Additional details and prior communications on these topics are available on the [SRC Resource page](#) on KDE's website.
