

2017-2018 – SRC Communication #13a

Distributed: November 26, 2018 -- Superintendents

- ❖ ***School Report Card – BrightBytes has delayed opening of the SRC verification and validation tool.***
The School Report Card (SRC) secure site validation tool will not open as previously communicated. BrightBytes reports that they are continuing to work through bug fixes and therefore the release schedule must be revisited. KDE will share an updated schedule when available.

Consider the webcast scheduled for 9:30 a.m. ET Wednesday, November 28 as tentative. The webcast also will be revisited as we know more about the release schedule.
