

## 2017-2018 – SRC Communication #22

### Distributed 01/10/19 – SRCC/DAC Contacts

#### UPDATES DEPLOYED TO LIVE SRC ENVIRONMENT

BrightBytes deployed the following updates to the live SRC environment:

- General Updates/Clean-Up of the Portal
- Updated hyperlinks and content on the [Other Education Data](#) page
- Updated the "View Accountability Data" links for all organizations so that it directs users to the "Proficiency" section first (not "Opportunity & Access")
- Fixed an info icon popover for the a "Growth Indicator Score" chart in "Accountability", which was hidden behind other parts of the page
- Data Inaccuracies
- Resolved missing data in the web-based School Profile Reports linked to school dashboards (bottom of landing page)
- Fixed incorrect data displaying for "All Students" row of the Chronic Absenteeism charts in "Accountability" and "Overview" sections
- Fixed missing data for the "Courses Offered" data charts in "Educational Opportunity" section for some schools

Another batch of updates will be deployed to the live environment late today after completing Quality Assurance (QA). This includes suppressed views of CTE and Advanced Coursework. Safety suppression will follow this weekend.

#### JANUARY 7 SCHOOL REPORT CARD SKYPE SESSION RECORDING

On Monday, January 7 at 2:00 p.m. ET, BrightBytes and KDE hosted a Skype session for School Report Card Contacts (SRCC) and District Assessment Coordinators (DAC). The purposes of the session were to provide an overview, answer questions on the continued review of the new School Report Card and present a tentative timeline for public release.

The [recorded session](#) is now available. Questions during the session were accepted from GoSoapBox. Those questions and answers are in the attached QA document.

As a reminder, this site should be treated as embargoed. Issues are being resolved during this review period. This site may be shared with school and district leaders.
