

2017-2018 – SRC Communication #23

1/14 Superintendent Message

PUBLIC SCHOOL REPORT CARD OPENING

The new School Report Card (SRC) opened for district review on January 7. Data within the card are embargoed until public release tentatively scheduled for Friday, January. 18. The embargo extends to public meetings, screen captures, etc. – same as in previous releases.

Your School Report Card Contact or DAC should have already shared the new URL and password for review. ***The link and password are for internal use only and should not be shared outside of your school or district.*** The site does display all schools' and districts' information, not just your district's.

On Friday, January 18 at 11:30 a.m. ET, BrightBytes and KDE will host a public webcast to announce opening of the School Report Card. For comprehensive instructions for how users can access and navigate the public-facing School Report card, please refer to the [SRC Public Website User's Guide](#).

NOTE: All data sets used for 2017-2018 School Report Card reporting are now available on the [Open House site](#) along with a link to a NEW Proficiency dashboard created by KYStats.
