

School Report Card – Quality Assurance Worksheet

Schools and districts must review and approve data through the School Report Card secure site. This document can be used to help with review of data, it is separated by domain and contains descriptions and reports that can help with the validation of data. Once data is validated, schools should approve the domain.

Domains requiring data review and approval at the school and district level:

1. [School Overview](#)
2. [Academic Performance](#)
3. [Education Opportunity](#)
4. [Transition Readiness](#)
5. [School Safety](#)

Other data that will require review prior to public release but does not require approval:
