You and Your Child Matter

10% of school days missed makes a child chronically absent = 17 days

Your Child’s Missed Days
Keep track by adding date and reason for absences in the circles below.

Life Happens...

1. Practice routines for bedtime and morning.
2. Pick appointments after school hours.
3. Check with school staff for community resources.

What to Do When...

There is always a caring adult at school who can help with problems keeping your child from class.
school administrator - guidance counselor - teacher - coach - school psychologist - social worker - FRYSC
