

2015-16 Disproportionate Representation of Racial and Ethnic Groups in Special Education Categories that is the Result of Inappropriate Identification

Met Target of 0%

- Yes
- No

Additional schools:
 Kentucky School for the Blind - Yes
 Kentucky School for the Deaf - Yes

Note: Disproportionate Representation means students from any racial/ethnic category are two times more likely to be identified as disabled than in all other racial/ethnic groups, 10 or more students with IEPs are in that racial/ethnic group/ and 50 or more students in the district are in that racial/ethnic group. If there is disproportionate representation, the district's practices are reviewed to determine if the disproportionate representation is due to inappropriate identification.
