### Application for Home/Hospital Instruction Professional Statement

#### Section II

This section is to be filled out by the authorized medical or mental health professional.

It shall be determined that a child or youth is to be provided home/hospital instruction if the condition of the child or youth prevents or renders inadvisable attendance at school as verified by signed professional statement in accordance with KRS 159.030 (2) and 704 KAR 7:120.

Please Note: Home Instruction (homebound) is **short-term** instruction provided in a home or other designated site for a student who is **temporarily** unable to attend school. According to state guidelines, **two hours of home instruction each week** is the equivalent to one full week of school attendance. **Home instruction is not designed to take the place of a more appropriate school placement.** 

Please check one of the following:  The student can attend school without any type of modifications or special provisions.  The student can attend school only with modifications or special provisions.
