Virtual Meeting Tips

- *Please share your video during the meeting, if at all possible.*
- *Remember to mute your microphone if you are not the one talking. This will reduce additional background sound and enable meeting attendees to hear better.*
- *Utilize the chat box for specific questions or to share resources.*
- *Minimize distractions and be present.*
- *Give all attendees an opportunity to respond and participate by limiting your discussion to no more than 2 minutes per response.*
