

Preschool Coordinator Advisory Group (PCAG)

Kentucky Department of Education

Meeting to be held in person at the Sower Building and virtually via Microsoft Teams

July 20, 2023

10am- 12pm ET

Purpose: The Preschool Coordinator Advisory Group (PCAG) was created to advise the Office of Special Education and Early Learning (OSEEL) on unmet needs and issues relevant to state-funded preschool. The PCAG consists of 10 members who represent each region across the state. The members of this group are actively engaged within the work of state-funded preschool. These members provide valuable feedback and suggestions on critical issues that align with the OSEEL priorities, and this feedback is used to help shape the guidance and support being provided by the OSEEL staff.
