Notes on Long Distance Service:	Windstream Communications; Ballard Telephone Cooperative; Brandenburg Telephone Company; Cincinnati Bell Telephone; Coalfields Telephone Company; Duo County Telephone Cooperative; Foothills Telephone Cooperative; Mountain Telephone Cooperative; North Central Telephone Cooperative; Peoples Rural Telephone Company; South Central Rural Telephone Cooperative; TDS Telecom - Hyden; TDS Telecom - Lewisport; TDS Telecom - Salem; Highland Telephone Cooperative; Logan Telephone Cooperative; Thacker-Grisby Telephone Company. West Kentucky Rural Telephone Cooperative;
If ALL Long Distance is purchased from KIH3 from AT&T, use SPIN 143001192	
If Long Distance is purchased from KIH3 from AT&T and Local Provider, use SPIN 143001192 and the SPIN of your Local Provider	
A separate FRN and must be filed item for each provider from which the district receives bills.	Ask your provider for their SPIN, or it can be searched here: http://www.sl.universalservice.org/Forms/SPIN_Contact_Search.asp

Some districts using KIH services may receive a separate billing from their intra-lata long distance carrier, even though their inter-lata long distance is bundled with KIH. Districts should make sure to file a 471 line item for every telco from whom they receive bills.

*KIH3 470 Guidance: KIH3 contract is an "optional use" contract. Districts are not required by the state to utilize this contract. Therefore, in order to purchase from this contract and still be eligible for E-rate support, it will be necessary for a district to file its own "local" 470 to request the services desired. Districts must conduct their own bid evaluation process and include the KIH3 contract along with all other bids received. If KIH3 is the winning bid, the contract award date entered in the EPC Portal Contract Module will be the date the KIH contract was selected as the winning bid - which should be sometime after the 28 day waiting period following the filing of the local Form 470 seeking the services in question.

Category 2: Internal Connections Hardware/Installation/Maintenance
