2022-2023 – SRC Communication #18

Distributed: Nov. 2, 2023, SRCC/DACs

School Report Card – Post Release Information

- A big THANK YOU to all of the school and district staff who contributed to the success of the 2022-2023 School Report Card (SRC) release.

Final reminders include:

- The SRC Data Collection Tool is now open again and will remain open through Friday, Nov. 17. Districts have until then to modify school collection items and superintendent messages. Updates in the collection tool will reflect in the public SRC and School Profile Reports immediately; however, the Kentucky Department of Education (KDE) Data Services team and BrightBytes must be notified to ensure the changes are also updated in the SRC data sets.
- Reach out to the KDE data point of contact as specified in the Quality Assurance Worksheet if there are questions related to the data that is reported. KDE has a limited timeframe to make updates after public release.
- A 10-day regulatory data review period is open Nov. 1-13 for assessment and accountability data in the KDE Login Application. Schools may request individual student changes to assessed and accountable students for ACCESS/Alternate ACCESS, KSA, AKSA, Postsecondary Readiness, reporting location for Cohort Graduation Rate, request nonparticipation, check students who met or did not meet benchmark for academic readiness for Postsecondary Readiness and mark accommodations for Individualized Education (IEP) Plan and for English learner (EL) students during this data review period in SDRR. Other changes, including scores impacted by allegations, will be applied, and released publicly in the SRC once data are updated.
- Ensure SRC sharing requirements are met. Districts must (1) post SRC links to school and district webpages (if previously posted URLs include year, it is recommended that they be updated to 2023); (2) Share the SRC with parents; and (3) publish a link in the newspaper with the largest circulation in the county.
- School Profile Reports should be complete, signed, and available in the local board office. This was due on Oct. 1 in accordance with KRS 158.6453, section 20 (b). Instructions for completing the School Profile Report are available on the SRC Resource webpage. The School Profile Report can be printed from the school's SRC organizational landing page (bottom right).

CONTACTS:

- Email KDE Assessment Team for Academic Performance questions.
- Email KDE Standards Team for School Profile Report questions.
- Email KDE Data Services for general questions.
